Ed. Note—Freshmen candidates will have to excuse the absence of their names, since most of them are not familiar with our "press room" as yet. Anyway, their publicity on the trees, driveways and roofs will act for itself.

Sorority Initiation

This week the freshman girls have undergone the sorority initiation, but because of a little poor co-operation, it was not as successful as was expected. Maybe initiations are not as heavy as they were years ago, but the girls will have to remember that a Freshman Week is coming up. We'll blame this beautiful "Indian Summer" weather for the existed condition, O.K.?

MU DELTA SIGMA TO RE-ORGANIZE

Since there are no longer any dorms on our campus, the boys who are rooming in homes in the vicinity of Highacres are asked to meet and reorganize a Fraternity, which existed for the past few years. Hopes are high that these boys will become more active than those of previous years. If your name is on the list on the main bulletin board pertaining to this matter, try to be at the meeting and see what you can do.
