(Chippy Continued)

Walter Smerconish contributed this bit of information:  
If Don Fuehrer marks were as high as his golf scores, he would have it made.

Thank you Walt.

Joe Bielen, please return the note you hijacked (contents unread and divulged) to their owners. Coeds shouldn't write embarrassing notes.

Why was Merri Lu running away from that "ferocious man-eating cricket" who occupied the Main Lounge, the other day. It's too bad when big strong he-men like Jack Pretti and Vern Raos don't protect a helpless female.

Latest word on campus - by Don Fuehrer "Huh."

Why does Mary Frances Veal doodle "Jack" all over her notebook in her classes?

What's this I hear about one tall Frosh male being asked to the hayride already? Wot hayride? Won't someone ask me?

"Hou" Yandell is asking for volunteers to help him learn to read. How about it girls?

Love,  
Chippy

P.S. My helpers aren't being as helpful as expected. I'm sure everyone has seen my box in the foyer.
