HAZLETON COLLEGE

Page 5

CHIPPY

Hi, first of all I want to thank all of my friends for contributing bits of news. Keep up the good work.

ATTENTION ALL GIRLS: Sgt Pete McMonigle is open for the ROTC Ball. (Line Form on the right)

Pete Daniels had a heavy date on Tuesday night - He likes High Acres so much (?) that he brought her up to the parking lot!!!

A. Scaran, E. Birosh, and T. Breslin all seem to have acquired interests other than academic at the center this year. How about it boys?

T. J. Anthony likes the way Mr. Kreckler turns on the Cafeteria lights. In fact he considers it "brilliant!"

Will the bashful person who sent me a blank sheet of paper sign his name next time?

Word of the week by Carl Christopher: "Electric-tricity."

Ken Fuehrer overslept Wednesday morning. I wonder if he was dreaming of flamingos?

FEMALE HELP WANTED: Four wealthy Coeds wanted immediately by four fellows at the Center who are seeking week-end dates. Excellent opportunity for the fellows to save the money that they don't have. Girls apply in person, Room S-101, Monday, October 25, during the sixth period.
(This request was sent in by Bob Yori, Ed Bradley, Jack Burgraf, and Ralph Catino.)

Sorry, Joe Svetz, but F.P. did not mean "Flop Party".

Why was Don Kellner arguing with Emil Adams when they were playing pinochle in the Rec Hall. Could it be that Emil goofed?

As I perched on my tree on Tuesday night there was a bit of trouble with Lil's truck--a flat tire. As Lil fixed the flat tire Raymond Stewart and a few other members of chorus watched. The next automobile class 257 will be held Tuesday, at 7:30 P.M. The instructor will be Lil Junas---and because of overcrowded conditions, held in Mr. Wilcox's parking permit.

Bill Boyle, don't give Mrs. Smith such a hard time.

Who ate Merri Lu's piece of marble cake on Monday.

Miss Garbrick over-looked one of the crooner's here at the center, unless he was in the wrong place at the wrong time. Sir, meetings are held on Tuesday night in the Music Room, not in Mr. Kreckler's Political Science class on Wednesday.

I overheard Art Teel commanding his ROTC boys the other day to do it in unison, not all together.
