

PUN PARTY BOARD ORIGINATED

Let's hope you students noticed the posting of this week's pun on the second floor bulletin board in the main building. This appropriately titled work of art resulted from the diligent efforts of the Penn State Punsers, a local branch of the Party.

Anyone interested in joining the party branch is asked to contact the regular person or attend the next regular meeting to be held at the regular time at the regular place as usual.

MAKE USE OF YOUR MANNERS

Have you been leaving your cup, saucer, and lunch wrappers on the Cafeteria tables after you have finished eating? Don't make Mrs. Smith clean up after you. Put your dirty dishes in the disposal box and your papers in the trash can.

TAKE HEED!! THIS IS COLLEGE NOT A MESS HALL.

COLLEGIAN BOX

In the lobby of the Main Building, attached to one of the easels, is a blue and white plywood box in which any news, gossip, and "what have you" for the COLLEGIAN can be dropped--in the slot on the top, that is. Everyone is asked to take advantage of this indirect way of putting campus scoop in the COLLEGIAN!!!

CAMPUS HUMOR

The bass section of the Community Chorus almost hit the ceiling when they were told to drop higher!

About the only man to get as much pleasure as the "Senator" does looking into a tube is Red Skeleton.
