

SOPHOMORE GIRL OF THE WEEK

Our choice for the Sophomore Girl of the Week is our own editor, Lily Junas. Lil went to Hazleton High where she was an active member of the band. She was also chosen "Miss Sadie Hawkins" of 1953 by the Hazleton Canteen. Lil participates in almost all of the activities here at the center. Bus service to the Chorus meetings on Tuesday is handled by Lil and her fabulous green truck - so far - no fare by our versatile lass.

SOPHOMORE BOY OF THE WEEK

Ed Birosh, from Freeland, is a Liberal Arts student majoring in - undecided. He says that his favorite subject is English Comp. 5 because of the very charming girls in the class. Ed plans to join the Air Force at the end of his sophomore year.

We hear that he is interested in learning to dance if he can persuade a certain blond freshman girl to teach him. By the way, she is one of the girls in that English class. Could there be a connection?

FRESHMAN GIRL OF THE WEEK

The Freshman Girl of the Week is Beverly Rimm, a tall blond lass from Coaldale. "Bev" was the editor-in-chief of her high school yearbook, valedictorian of her class and participated in many other activities. Beverly is a Chem major and is the Sorority Treasurer.

FRESHMAN BOY OF THE WEEK

This week we have chosen Raymond Stewart as our choice for Freshman Boy of the Week. Ray hails from Newport Twp., and is a Mechanical Engineering student. He is also a shark at "gin", which proves his frequent presence at the Rec. Hall. Ray is interested in baseball and is the "livewire" of "Lowry's Boarding House".
