FRESHMAN GIRL OF THE WEEK

Lois Carper, member of the "put your shoes on Lucy Club", hails from Virginia. She was active in the Dramatics Club, Yearbook Staff, and Student Council in Herndon High School.

She is enrolled in the Liberal Arts Course at the center. Lois is a member of the Student Council, Collegian Staff, and a few of the other organizations on the campus.

Lois enjoys dancing, parties, and especially "Itsy-Bitsy".

FRESHMAN BOY OF THE WEEK

Frank Sharkowicz (Moose) is the Freshman Boy of the Week. Moose is 6' 2" and has a voice so low it would embarrass an elephant. He has little time for girls except on weekends, although he likes to look at them. Moose was a tackle on the football team and comes here from Wanamie, Penna. I wonder what his passtimes are besides girls?

CHIPPY

Hello,

Well, here I am and there you are and here's the News. -- Favorite saying of the day.

Question of the week: "What was Lois Carper looking for in the lounge Tuesday afternoon?" (Incidentally, she had on only one shoe) Did you get into Mr. Krecker's office Lois?

I Wonder

The ROTC Ball is coming up soon and from what we heard Bernard Kemsel wasted no time in getting a date. "Bashful Bernie" is taking a blonde. (Could that be the reason Joe divorced Marilyn?) Come on, Bernie tell the rest of the troops.

The Blonde

Overheard in the Rec Hall - Dale Walker proposed to Caroling Brobst.

Why was Edward Ferko chartreuse after he returned from his flight?

Why didn't Bob Scott enjoy his flight? Was it because he was all tangled in his parachute?

Special from Al Capp: "Many fans of Li'l Abner have written to me about the striking resemblance between loverboynik and Ray Fritzinger. Both have trouble keeping the girls away.

Love, Your faithful spy,
