COMING UP - A BALL

The date for the Military Ball has been changed to January 8. This date has been arranged so that the Ball will come as an end to the holiday vacation and also give everyone a last "fling" before returning to the grind.

Arrangements are now in progress for the orchestra and hall and the Ball Committee is hard at work making plans for this to be the best ball of all.

And don't forget ..-.-.-.-. Be sure to give a picture of your date to any member of the Ball Committee so that the choosing of the Queen may be done. This year we want 100% turnout of pictures so be sure to get a picture in - who knows, maybe she will be chosen Queen.

SORORITY - FRATERNITY

At the time this issue went to press, the report from the joint Sorority - Fraternity meeting had not been received. However, the report on the meeting will be published in next weeks issue.
