Finally, a SUB might bring a parking lot to the top of the hill.

A SUB might mean a higher enrollment; a higher enrollment might mean more participants and more cars; and more participants and more cars might mean a new parking lot to accommodate the new SUB.

The outcome of the decision on the building of a new SUB will exert quite an influence on the students and on Center in general. These are the facts. Digest them into wise, logical results when you have the opportunity to sign one of the petitions now in circulation.
