
STUDENT COUNCIL

Bright and early Wednesday morning, December 8, the members of the Student Council met in M-208 with the President Stan Gruszewski presiding. Mary Frances Veale, the secretary, read the minutes from the previous meeting, which had been held on Wednesday, November 24. After these were approved by the Council, the secretary also read the minutes from the November 8th and December 6th meetings of the Student-Faculty Board.

At the latter Student-Faculty Board meeting, Mr Kostos stated that chaperones must be invited at least two weeks before all social events. Mr. Mattern reported that Mr. Krecker would meet with the Student Social Committee. All recommendations suggested by Mr. Krecker must be approved by the Student Council before going into effect. John Harry was named chairman for the next Student-Faculty Board meeting which will be held on January 17, 1955.

Stan Gruszewski asked if the Council had any questions on the Student-Faculty Board meetings. Since there were none, he asked for reports on committee work.

John Mehalick announced that the Traffic Committee was "sound". There have not been too many violations this year. Immediately following the holidays, the Traffic Committee will meet to discuss future policies.

After being questioned about the Social Committee, Mehalick said that chaperones had been secured for the Christmas Party; namely Mr. and Mrs. Foster and Mr. Steele. Since then Mr. and Mrs. Grubbs and Mr. and Mrs. Wilcox have consented to chaperone the Christmas Semi, which will be held at the Eagles Ballroom in Hazleton, Friday, December 17, from 8:30 PM until 12:00 PM. The band, which will cost \$50, will be Joe Monarchick's and the fee for the rental of the hall will be \$40.

It was reported that though Thanksgiving and Christmas parties were well attended, neither of the dance classes had been. It was observed that very few people stayed to clean up after the Christmas Party. Mary Lu Lotito, Jack Thompson, and Tom Swick took responsibility for the work, while both the Fosters and Mr. Steele stayed to help.

Petitions have recently been circulated concerning the erecting of a Student Union Building. At "press time" it was not known how many names had been signed on the petitions. Earlier in the week a special bulletin was printed which contained additional information concerning this project.

Ed Bradley said that Captain Carper told him that he will assume financial responsibility for the Military Ball. Previously the Council had tentatively approved January 8, 1955, as the date for the Ball. Dave Drasher said that Captain Carper will give the written statement to Mr. Kostos.

A letter was received from the secretary of the Student Council at Behrend Center, Erie, inquiring if we would be interested in forming a state-wide Student Council organization. The Council authorized the secretary to reply in the affirmative and to request that we be allowed to send two delegates instead of one. (Cont'd Page 4)
