Currently seeking writers

The Fourth Wall is seeking writers for all sections, including sports and arts & entertainment. We also need general writers on assignment and general article writers. There are openings for regular columns, such as a political column, humor column, advice column, and cartoons. All students are welcome regardless of major. Writers are not required to submit articles on a regular basis.

To make this paper successful, we need you to participate by writing in your opinions, concerns, and comments. Interested parties should send emails to jmz5027@psu.edu.

Students wishing to place advertisements can submit them to: jmz5027@psu.edu for consideration. This is a free service for students.

Mission Statement

The Fourth Wall was established to provide a responsible forum for dialogue within the student community and for the free expression of considered ideas; to build community; to promote student involvement in activities and issues that have an impact on students' lives; and to disseminate information about campus activities, organizations and events. This is our chance, as students, to say what we really think.
