

Analyzing Horoscopes Cont.

ruled by the planet Mercury. The Virgo person believes in doing things precisely. They aren't carried away by fantasies. People who are impractical irritate them. The Virgo believes in doing things positively. They're full of purpose and good will. Sincerity, zeal and enthusiasm mark their working habits. They have excellent critical abilities. They analyze any problem and come up with solutions. Anything that is scientific, technological or practical arouses their interest. Given a chance, they become expert designers. They're great readers and any subject interest them. They have deep appreciation for the details of life. Basically, a Virgo is an uncomplicated person who views things clearly. They believe that appearance is important. Being neat is their basic nature and they dislike anything untidy. They have deep respect for culture, education and authority. A Virgo knows how to criticize people. They accurately point out the weaknesses and faults of others. In doing so, they may be so blunt that it may earn them enemies. One should remember that a Virgo is full of good will and they don't do this to harm anyone. But if someone does them wrong they'll never forget it. They don't become angered easily. If they become angry, it might be better to leave them alone for they might do anything in their power to retaliate.

Libra (September 23rd - October 22nd): Libra is an airy sign

ruled by the planet Venus. This star is symbolized by the scale or balance. Justice and harmony are the key factors, which govern them. They have the capability to compare and estimate facts and derive unbiased decisions. They detest injustice and cruelty and they always take the side of the wronged. They're gentle, courteous and affectionate in their speech. They seldom have problems attracting the opposite sex. They don't quarrel. They dislike repetitiveness and love travelling. They're good homemakers. They collect things that are beautiful. A keen look will show a fabulous collection in their house. They're very developed intellectually. We can always see a scholar in Libra. They always try to avoid unpleasantness. This makes them turn away from duties. If a Libra is set in a friendly surrounding, a well-balanced personality with

a strong scientific or philosophic genius emerges doing good to the whole of humanity.

Scorpio (October 23rd - November 21st): The Scorpion is a watery sign ruled by

the planet Mars. They're powerfully magnetic, full of energy and intense emotions. Strong willpower helps them exert their will over other people. They are capable of shocking others by their dramatic and unexpected ways. They are seldom discouraged when their plans go wrong. They conceal their emotions. They are idealists and humanitarians in the heart. They're ever eager to defend and help the weak and oppressed. They're naturally gifted with the ability to control. They give little value for convictions and they deliberately defy them. They're hard workers and they never get tired of doing a difficult job. They're gifted with ambition and nothing stands in their way. They plan calmly and overcome obstacles with great coolness. In order to get things done, they may even break all norms. They're greatly attracted to the supernatural and mysticism. They're also very religious. In short, they're people who are destined to make a mark in the world whatever they choose to do.

Sagittarius (November 22nd - December 21st):

The Archer symbolizes Sagittarians and they're known for their frankness, sincerity and optimism. They have a high sense of justice. They're very fond of giving advice. Their philanthropic nature makes them charitable. They're very hard workers. They're sociable and popular among friends. They're exceptionally honest and hate deception and trickery. They like to follow conventions. They're always ready to shoulder responsibility. As they possess great strength of will, they like independence in having their affairs done in their own way. They're impulsive too. They take sudden decisions and change their occupation and interests in absolutely unexpected ways. They're deeply religious and follow their faith with great zeal and enthusiasm. They like change and even change their habits in life without any significant motive. They're well built and extremely fond of sports. They're most happy outdoors.
