### SGA Wants to Hear From You!

#### Staff

This year's Mont Alto Student Government Association (SGA) is trying to do things a little differently than last year. A goal this year's SGA takes to heart is student involvement and participation. All of the executive board members who are not freshman served as Orientation Leaders in the fall. They have held a Blue Out pep rally to support the Pennsylvania Coalition Against Rape. Currently, SGA is taking about holding a Meet Your SGA day for the spring semester. Above all else, student government wants every-

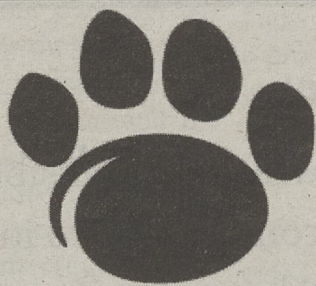

one to know that it is powerless without the voices and support of the people. Currently, SGA meetings are held in 105 Conklin Hall at 2:30, and public comment is always welcome. Also, feel free to approach any exec board member (pictured right) at anytime or one of your eight student senators. SGA's commitment is to providing the best possible experience for you, the student.
