

PLAY IT AGAIN, SAM

by Mike Kennedy

"....FOR THE GOOD OF THE MINORITY ON CAMPUS"

Have just finished some very interesting reading. Subject matter was the Constitution of the Student Government Association, Delaware Campus. I learned quite a few things about the procedure and structure of the SGA, however, quite a few questions came up. I thought that by sharing questions with you, we might stir some response from SGA.

For instance, the Constitution states, under Article 5, Section 3, "There shall be elected for each twenty-five(25) returning second year students, one(1) Councilman." Section 4 covers the first year students in the same manner, 25 students to one Councilman. My is it then, that with a student body of 757 students, there are only 16 Councilmen? That means the majority of students (about 309) are not officially represented in SGA. Have you seen your Councilman today? Government by the minority? Interesting.

The Constitution also states under Article 3, Section 5, subsection A, "The duties of the Secretary shall be: A. To record and publish the minutes and the agendas of all SGA Council Meetings."

Why was it then, that when this reporter attended the SGA meeting on October 30th, a Councilman was busy recording the minutes while the Secretary lounged in the back of the room? Also Mr. Secretary, I have yet to see an agenda for the SGA meetings. The Constitution states that an agenda shall be published at least one(1) day prior to the scheduled meeting. Let's see, we should have had at this point, six SGA meetings, that means you owe us six(6) agendas.

The Constitution is available for perusal by any member of the student body. I can highly recommend it for light, amusing reading, after seeing SGA operate. If you haven't talked to your Councilman (that

ACTIVITIES DAY HITS CAMPUS

by Chris Udovich

"All Activities Day" will be sponsored by the Student Government Association (SGA) with the cooperation of the administration on Nov. 18 in the "Big C" Rollerdrome.

Plans were finalized Nov. 2 following a suggestion by SGA officers and approval by SGA members. SGA officers and Assistant Dean Michael Johnson consulted with William Coopersmith, proprietor of the building, about allowing the students to use the roller-skating rink for the day. Coopersmith consented to let the students

use it free of charge.

The day's activities will start at 10 a.m. and go until 2 p.m. in the afternoon. Various discussions, W.C. Fields films and rock music is planned.

SGA President Dennis George said, "Although the rule is that every student should go to class, I hope that every student will make an effort to participate in the planned activities."

According to Johnson students are not to smoke, eat, drink, or wear shoes in the rink because the shoes might ruin the surface for skating.

FINAL TEAM CUTS DUE FOR HOOPSTERS

8 CHEERLEADERS SELECTED

by John Kennedy

First cuts for the Delaware Campus basketball team have reduced the team to 18, with six more cuts to be made.

Coach Robert Spickler has not yet predicted what the outcome of the year will be, but said it will be, "an interesting year."

"The team has only two starters returning from last year, Barry Gilliam, and

was him with that sheet of paper that you scribbled your name on early this term) yet today, do so. Ask him what is going on at those meetings. If he asks what meetings, get a new Councilman. If you don't have a Councilman, contact the SGA. They should be looking for fourteen (14) additional Councilmen by this time. If they want to know how you know all this, tell them a friend of yours read their Constitution. Until next time....peace.

Bob Talley, and S. L. Miller. While the team itself will provide the excitement on the floor, our newly chosen cheerleaders will spark the flame in the stands.

After a month of predicting, nine girls were chosen. The tryouts were so close that instead of three alternatives with four regulars, four alternatives had to be picked. The cheerleaders will be captained this year by Sophomore Education Major, Sally McNichol.

McNichol said, "Attendance at the games are very low, but during the Christmas holiday, students should be able to make at least one game; it is part of the school."

The cheerleaders, eight freshmen, and five sophomores, are: Judy Broadhurst, Joan Dann, Gail Johnson, Linda Warrington, Jane Katzer, Mary Anne DeVirgilis, Blondell Reynolds, and Judy Igo, with Eileen White as Lion mascot.
