

Club Synopsis - Who's Who at P.S.U.

by Cathi Bender

Although the Delaware County Campus is rather small, compared to many campuses, there are activities enough for everyone.

Since no one is born knowing what each college has to offer, here is a partial list of the clubs and organizations we have to offer:

Alpha Xi Omega Chapter—(The Keystone Society)— Dr. Jane Cooper. By the unpronounceable name you know that it is either a sorority or a fraternity, in our case it's both.

The Camera Club—(Mr. Kenneth Holt)— If you can take pictures, you are wanted for this one.

The Delaware Raider Counter Guerrilla Force—(Major Robert Powell)— Training for field manoeuvres.

"The Lion's Eye"—(Mrs. Lynne Haskin)— You're reading it!

The Society of American Military Engineers—(SAME)—(Mr. Arthur Martindale)— The name explains it.

Student Government Association—(SGA)—(Mr. Edward Tomezsko and Dean Edward Linder)— This is Student Power.

The Student Tribunal—(Mr. Marty Sharp)— A student jury dealing with parking tickets and the like.

The Veterans Club—(Mrs. Elizabeth Buckmaster)— Anyone who has been in the service can join.

Rifle Team and Club—(Captain James Jenkins)— Learn to shoot and drill with a rifle.

The Black Student League—(Mr. James Harper)— Very active group on campus.

If enough interest is shown, a Drama Club may be formed.

Any student wishing to join one or more of these organizations will be able to sign up on Tuesday, the 19th, in the student lounge. If you miss the sign up periods which run from 11:00–11:30, 12:00–12:30, 1:00–1:30 and 2:00–2:30, then see the advisors for more information.

We hope all of you will make this a great year socially and academically. Remember a college is only what you make it. Join some clubs, get involved and you will have more fun.

SPORTS CORNER

COLLEGIATE COMPETITION

Penn State University's Delaware County Campus offers a few sports in both intramural and inter-collegiate competition.

Basketball is the main fall attraction, headed by Mr. Robert Spickler. Ted Gramiak, Dave Matthews, Rich Hazinsky and Steve Schukraft are the team's returning sophomore players. Tryouts will begin around early November.

Mrs. Karen Monaco coaches the girl's basketball squad. Signs will be posted as tryouts near.

Other team sports include tennis club, coached by Mr. Dan Doran and tryouts begin in early spring.

Soccer and flag football are the principal intramural sports. The season gets underway in mid October. Interested students should organize soon and watch for details. Softball intramurals begin spring term.

Chess, table tennis and pinochle are organized for individual competition by the SGA.

The cheerleading squad is drafting a new constitution. Elections will be held when tryouts are completed.
