

ROTC IN FLORIDA SUNSHINE

The Delaware County Campus ROTC Department sponsored a tour for 35 students and faculty of the John F. Kennedy Space Center this week for the cadet members of the Society of American Military Engineers.

Activities will include a tour on April 5th of the J.F.K. Space Center and Cape Kennedy plus the radar tracking facilities located there. On April 7th a Greyhound chartered tour of Disneyworld has been arranged. The rest of the week will be spent utilizing Patrick Air Force Base's recreational facilities, which include beach frontage near Cocoa Beach, Florida.

RIFLE TEAM PLACES THIRD

The campus rifle team will conclude its competitive season on April 14th at University Park.

The team will compete in the annual Professor of Military Science rifle match during the Keystone Drill meet, to be held the week of April 14th.

Competing in the Greater Philadelphia Inter-Collegiate Rifle League, the team placed third. The league consisted of 12 league matches against major colleges and universities in the Greater Philadelphia area.
