FROM THE PRESIDENT'S DESK (CONT'D.)

At the last two meetings of the U.S.A., we began "filling out" our Executive Board, as planned. This move is an attempt to distribute the workload of the four elected student representatives more evenly. The new members include Hugh Connor (Administrative Vice President), Cathy Falasco (Assistant First Vice President), and Carol Cooke (Assistant to the Secretary).

Recently the Board was faced with the decision of either replacing the broken ping-pong table or installing an air-hockey game. Air hockey won due to the fact that ping-pong tables are so fragile and the present one is constantly being pounced upon by overly enthusiastic players, constantly leaving it in need of repair. An air hockey game on the other hand is much sturdier and so will serve the student body better, and longer.

On Monday, Feb. 2 at 12:15p.m., an orientation session called the Ambassador Program will be presented at Delaware Campus. The program, to be held in room 206, is intended for second year students and all others transferring to University Park within the next 3 terms. Included in the presentation is a film about the Park and talks by student organization representatives, in particular the Organization of Town Independent Students (OTIS). Their intention is to prepare students for the Park. So come and see what they have to say.

JANUARY-FEBRUARY CALENDAR

Jan. 30	Lounge	Movie: Beatles' "Help!" and a Party; 8-1 a.m. Admission: \$1.00
Feb. 11	Student Learning Center	Concert: Perry Leopold; 4th per.
