The Champ

It happened on Friday, September 15, 1978. In front of 70,000 people who together paid over five million dollars to see it...Muhammad Ali made boxing history. That night he became the only man, living or dead, to win the World Heavyweight Title three times.

During the actual match Ali looked very intent, not joking or talking, ready to work for a win. His punches started out uncontrollable at first, like Leon Spinks, but after a few rounds the punches began to hit home for Ali. After almost fifteen rounds Muhammad Ali's years of experience came through for him as he defeated the younger Leon Spinks.

Ali's record now stands at 56-3 while Spink's stands at 7-1-1. The fight seemed to show that years of experience and an unabated determination to win were the key factors in helping Muhammad Ali regain the World Heavyweight Championship.

Delco Defeats The Undefeated D.C.C.C. In Soccer

On Tuesday, September 26, Penn State defeated Delaware County Community College 5-1. That win for the Nittany Lions was their third of the year. They also had one tie. The loss to Cheyney was a scrimmage, so our Lions are undefeated and boasting a 3-1-1 record. The loss for D.C.C.C. was their first of the year as they came into the game undefeated and left losers.

The Delco Lions completely dominated the game, having 23 shots on goal to 8 shots by D.C.C.C. For the Lions, McCarron and Read both had 2 goals, while Franks had one. Dougherty had 5 saves and Holden had 3 saves. Coach Gould believes that the team played an

excellent second half after an unenthusiastic first half and that it was a combined team effort.

Coach Gould stated that D.C.C.C.'s only goal of the day was not a good goal and they shouldn't have gotten it--but then again everybody gets lucky.

Tuesday's game marked the first time that Delco defeated D.C.C.C. in soccer. Coach Gould was very pleased with the game and he hopes to have a good season.

The next home game will be against Hazelton on Monday, October 2, at 1 P.M.

Shero's Homecoming Wasn't Pleasant

On Thursday, September 22, the Phila. Flyers had their first preseason game against their former head coach Fred Shero. Shero's homecoming was greeted by a famous Spectrum boo. As the New York Rangers came onto the ice the Spectrum roared to life with signs like: Beware Rangers--He Lies.

The night was charged by the playing skill of the Flyers' four rookies: Benn Wilson, Ken Linesmen, Blake Dunlop, and Danny Lucus. Each scored a goal as the Flyers defeated the Rangers 8-2. Other goals were scored by Rick MacLeish, Bob Dailey and two by Bobby Clark.

In other Flyers action, on Saturday they lost in Long Island against the Islanders 3-1. Back home again on Sunday they lost to the Islanders again with a score of 4-3. In the game on Saturday the Flyers' goal was scored by rookie Blake Dunlop. Goal tending were rookie Rich St. Croix and veteran Wayne Stephenson.

The Flyers played Wednesday in Providence, Rhode Island against the Bruins and lost 4-2. On Friday they play the Stanley Cup Champions-- the Montreal Canadians.
