

First Tournament Win Since 1975

Congratulations to the Delaware County golfers for their overall win at University Park on October 13 and 14. The five male team competed against seven other campuses with rain delaying the final 13 holes. "I'm really proud of them!" Ms. Blount stated as she smiled. This was the first tournament victory for the golfers since the team originated in 1975.

Although Greg Fulginiti played second during the season, he scored the best for our campus. His score also won for him the individual's trophy. The overall season record for the team was 7-0 with York Campus being their toughest competitor.

About next year's team, "It's a guessing game," says Ms. Blount, because she's losing eight of her twelve players. The team is all male, and, "if you see any girl golfers, tell them to come see me. I'd like to get some girls on the team," Ms. Blount says, giving a formal request. Well, girls?

Frisbee Club Grounded

The Psu Delco frisbee club is close to taking off. Ken Reynolds, the man behind it all, and practiced disc player, is working hard to get it to take off. As of yet, Ken says that only 8 or 9 players have contacted him about the club. He also says that we only need 3 or 4 more interested people to join before we can become our own nationally recognized club. I would like to invite anyone to join, no matter how mild their interest is in playing Frisbee.

The club is not interested in killing all opposition. We are out to do our best, enjoy the game, and have a good time. We are interested in increasing the skill of each player and instituting a good quality of play.

How many of you can do a nail delay (a what?!)? What is Double Disc court or Ultimate Frisbee? How many of you knew that Penn State was No. 1 on the East Coast last year and No. 3 this year in the ultimate Championships?

You can learn the answers to these questions and more. Frisbee isn't just a kid's game anymore; it's a high level competition, but it's still fun.

A sign-up sheet is located on the 2nd floor landing near the elevator; or contact Ken Reynolds or myself directly. If you're an avid disc player or just a parking lot showboat, it's not your skill that matters but your participation and enjoyment of the game. Sign up today!

Soccer Team Goes To Championship!

We, the staff of the Lion's Eye, would like to encourage everyone to take advantage of the opportunity the Outing Club is providing. It is sponsoring a trip up to University Park for the weekend of November 10-12. This is everyone's chance to cheer on the undefeated Penn State Delco soccer team in their game against Ogontz. For more information, contact Mr. Doran in the PE building.

Outing Club Plans To Hit The Slopes

The Outing Club is sponsoring a ski trip to Windham, New York the weekend of January 12-14. We'll leave from the school by bus Friday night at 5:00. There'll be a pizza party when we get there. Saturday morning there's a choice of three mountains to ski. Windham is for experienced skiers; Hunter for intermediate, and Cortina for the beginner. If you don't ski, you can swim in the heated pool, ice skate or snowmobile. Saturday night there's a disco. Then more skiing or whatever on Sunday. We'll leave the lodge at 5:30 P.M. Sunday night to come back home. The total cost of the trip is \$83.00 plus ski rental and lift tickets. If you're interested sign up in Dan Doran's office in the P.E. Bldg. right away. You don't have to be a member of the club to go.
