Dan Fogelberg appeared before a capacity crowd at the Academy of Music in Philadelphia on April 13. Fogelberg also performed before an estimated 100,000 people at the nuclear power protest on the steps of the Capitol in Washington D.C. on May 6. Other celebrities at the rally included Joni Mitchell, Jackson Browne, Graham Nash, and Jane Fonda.

Fine Arts Show

The Pennsylvania Academy of Fine Arts will hold its Annual Student Show from May 16 to June 3. The annual Spring exhibition of art by Academy students fills the museum at Broad and Cherry Streets, Philadelphia, with works of great vitality and variety. The museum is located just two blocks north of City Hall. Telephone (215) 972-7600.

Elections

EAST LANSING, Mich. (CH) — How does a student get elected to the student council of a major university without being on the ballot, without campaigning, and without even knowing about the election? It helps if the student is Earvin "Magic" Johnson. The star of the NCAA basketball champions, the Michigan State University Spartans, was elected by write-in votes to the MSU student council minority member-at-large position. The surprised Johnson said, "I would like to stay on the council if I could be of some use." He added that he might have difficulty finding time. Johnson's teammates Jay Vincent and Gregory Kelsner also received write-in votes, but not enough to win a seat.

Mistaken Identity

Frank Scoull's name was incorrectly spelled in the April 19 issue of the *Lion's Eye*, due to a typographical error. The *Lion's Eye* sincerely regrets this error.

Performing Arts

The Philadelphia College of Performing Arts' Shubert Theatre and Annex lights up May 9 through May 19 with a display of music and dance. In-Concert '79 is an annual festival showcasing the many-faceted talents of the college's students and faculty. Vocalists, pianists, orchestras, ensembles, and choirs will be among the performers. For schedule information, call (215) 545-6200.

Carter to Speak at Cheyney

WASHINGTON — President Carter has accepted an invitation to deliver the commencement address at Cheyney State College in Thornbury on May 20, the White House announced last month. Presidential Press Secretary Jody Powell said Cheyney is one of the oldest black educational institutions in the country.

Looking Ahead

The Office of Student Affairs is looking for volunteers to help with Fall Term Registration on Tuesday, August 28, 2:00-4:30, and Wednesday, August 29, 8:30-11:30. Any students who are interested in helping should contact Judi Taney in Room 111-G, in the main building, or call 565-3300, ext. 45. The Office of Student Affairs would really appreciate any students who are willing to give them a hand during this busy time.

Fair Acres Festival

The Fair Acres Festival will take place Saturday, June 9 and Sunday June 10, from noon until 5 p.m. The event will feature food, entertainment, and games at the center on Route 352 in Lima.

Power to the People

"Voice" your opinion by signing the four petitions that can be found posted in the main building all during this week. When completed, the petitions, along with letters condemning the construction of nuclear power plants will be mailed to the people who make the decisions. One of each will be sent to President Carter, Secretary of Energy Schlesinger, Senator Schweiker, and Senator Heinz.
