

The Camera Club

The Camera Club welcomes anyone interested in photography or video. Members' experiences range from no prior experience to professional

photographers and camera operators. The club activities encourage growth and creativity in the fields of video and photography.

If members do not own equipment or cameras, they can use the following equipment from the Camera Club or the Instructional Services Department: (2) 35mm range finder cameras; (1) 8mm movie camera; (1) well equipped darkroom for black & white and color processing; (1) black & white video camera; (1) color video camera; (2) BETA I video recorders; (2) U-MATIC video recorders.

Club members produce weekly video tapes for the campus and sponsors photo contests & shows throughout the year. The Camera Club also participates in money raising activities for the club.

The Camera Club hopes you will become a member of this fun and active group.

"Spring Week '82 at the Delaware County Campus."

Upcoming Events

— Student Leadership Conference, September 18 — Open to the first sixty people to show up (limited seating space).

— Bus Trip to Gettysburg, September 25 — Sponsored by the ROTC. For more information, contact the ROTC.

— All-U-Day, November 6 — Penn State vs. North Carolina State at University Park.

What is U.S.A.?

All clubs are governed and coordinated by the Undergraduate Student Association (USA), the student government organization on campus. USA is the formal representative of campus students to the campus faculty senate and the administration.

USA initiates legislation concerning student welfare, provides an opportunity for the expression and development of leadership skills, creates and maintains campus customs and traditions, and coordinates all student body functions. The organization has several committees which carry out its objectives. Council positions are open to all students and executive members are elected each spring for the following academic year. USA also represents the Delaware County Campus in the Council of Branch Campus Student Governments (COBCSG), which coordinates government at Penn State's Commonwealth Campuses. If you have leadership experience, or you'd like to get involved, contact the Undergraduate Student Association office in the student affairs modular building.

This year's president is Terry Montgomery, Vice President Bill Jarrell, Mary Sadorick is Treasurer and Leslie Miner is Secretary. If at any time you need help at Penn State, feel free to contact these people in the USA office.

The cheerleaders would like to extend a sincere welcome to the incoming freshmen and returning upper classmen.

Let us tell you a little about our selves. The squad consists of 10 cheerleaders and 4 alternates. We cheer for the soccer and basketball teams here at Delco. Sign-ups will take place Tues.,

August 31 and Wed., Sept. 1 during registration.

Practices will be held the first week of school from 4:30 to 6:30 p.m.

Tryouts are set for Sept. 10 at 4:30 for additional information, contact Angela Lybrand or Sue Schmidt.
