## Harry S. Truman Scholarship

The Harry S. Truman Scholarship Foundation has announced that it is now seeking nominations of outstanding students in any academic discipline who are preparing for careers in public service.

Institutions can nominate up to two sophomores for the 1986 competition. If selected, each student will receive a scholarship award covering eligible expenses up to \$5,000 per year for their junior and senior years and two years of graduate study.

The deadline for nomination is December 1. Eligible students must be full-

time sophomores working toward or planning to pursue a baccalaureate degree, have a "B" average or equivalent, stand in the upper fourth of the class, and be a U.S. citizen or U.S. national heading toward a career in government.

Interested students should speak to the Truman Scholarship Faculty Representative whose name should be posted on campus, or write the Truman Scholarship Review Committee, CN 6302, Princeton, NJ 08541-6302.

The 200th anniversary of the U.S. Constitution in 1987 offers a unique occasion for encouraging reflection on the history of America and the principles on which this nation was founded. To commemorate that occasion, the National Endowment for the Humanities has launched a special nationwide competition for high school and college students from every state to conduct research and writing projects on the U.S. Constitution.

Award recipients will be expected to work full time for nine weeks during the summer, researching and writing a paper under the close supervision of a teacher or professor of the humanities. No academic credit may be sought for these projects.

### PROJECT EMPHASES

In both subject matter and methodology, projects must be firmly grounded in one or more of the disciplines of the humanities and must fall within one of the following areas:

1. the philosophical, historical, jurisprudential, political, or literary bases of the Constitution
2. the substantive meaning and intent of the provisions of the Constitution
3. the relation of the Constitution to American history or to American political, social, and intellectual culture
4. the connection between self-government and the purposes of human life

### THE HUMANITIES

In the act that established the National Endowment for the Humanities, the term *humanities* includes, but is not limited to, the study of the following disciplines: history; philosophy; languages; linguistics; literature; archaeology; jurisprudence; the history, theory and criticism of the arts; ethics; comparative religion; and those aspects of the social sciences that employ historical or philosophical approaches.

### WHO MAY APPLY?

Applicants must be twenty-one years of age or under throughout the calendar year in which the application is submitted; or, if they are over twenty-one, they must be full-time college students pursuing an undergraduate degree at the time of application.

Applicants must be U.S. citizens or foreign nationals who have lived in the United States for at least three consecutive years at the time of application. Individuals who will have received or expect to receive a bachelor's degree by October 1, 1986, are not eligible to apply.

### APPLICATION DEADLINE

The deadline for receipt of applications is December 15, 1985.

### YOUNG SCHOLARS AWARDS

Awards are \$1,800 for high school students and \$2,200 for college students. Each award includes \$400 for the teacher or professor who serves as project adviser.
