The Lion's first home game will be on September 25. On this date the PSU Delco Lady Lions will serve it up against Harcum and Manor Junior Colleges in a winner takes all tournament. These matches will start at 6:00 pm in the gymnasium.

Some of the returning players from last year are Jasmin Ferrell and Katrina Young. According to Jasmin, "This season is going to be great. I can not wait to play."

## PSU Soccer Team Aims High Following Season of Lows

By Tim McLaughlin

With the coming of the fall semester, it is time for the dawn of a new soccer season. This year the Lions hope to improve on the 1994 campaign. The Lions opened the season Saturday, September 2 at soccer powerhouse Gloucester County Community College. The following Saturday the Lions hosted a tournament which began at 9:00 a.m, before kickstarting their league schedule.

Coach Mike Pellegrino stated that he is "optimistic about the crop of incoming freshmen and capable transfers." Coach Pellegrino is also excited about his core of returning starters. Among those are sweeper Tom Flynn, midfielder Pat Lacey and stopper Mike Behl. This group of veterans hope to erase the memories of last year's 3-16 season. Coach

Pellegrino is hoping they can too. "I am counting on at least four league wins and hoping for more."

## Rawhide Rumblers Are Ready To Crack 1994's Goose Egg

By John Duffy

It's baseball time again, and PSU Delco is in their second season after a one year hiatus. Last years baseball team struggled through most of the season, putting forth a record of 0 and 12. But this year, coach and former PSU graduate Joe Demaio is ready to take on anything.

"I think that this year we will be very successful. We have a group of good kids with some good talent."

The season started out with a double header September 9 against PSU Wilkes Barre (Delco 12, WB 12). Then on September 13 and 16 Delco played PSU Berks (Delco 11, Berks 32) as well as PSU Hazleton. (Delco 11, Hazleton 11).

Today PSU Delco squares off with a hard hitting, action packed game against Penn College.

This single away game and the

double home game has left the PSU Lion's record standing at 0 and 3. Pitcher Pete Renaudo said, "I hope we play well this year, but most of all I hope we have fun and win a couple games."

This year's team consists of sixteen players: Kevin Dorian, Vince Donia, Tom Dwyer, Rich Emhoff, Bill Gagliardi, Mike Guille, Lewis Nardini, Jim Persival, Mike Pralle, Jason Mills, Pete Renaudo, Mike Rattigan, Jeff Scalli, Jeff Simpson, Lance Spear, and Jason Ward. Coach Joe Demaio is also the assistant coach of the men's basketball team.

The Lions have ten games to play, four home, four away and two tournaments. "Let's hope we have a good season," said infielder Mike Guille.

The Lions need support so fans are urged to come out and cheer them on their road to victory.
