

"People and Places . . ."

"Quiz Time Again"

Now I know you guys aren't that stupid. Here we are offering pizzas, appetizers, beverages, the whole works for any student who could get 20 easy questions right and what did we get? The same thing you got... nothing! Well, here we go again. I even made these easier for you since I don't want you to fry your brain for finals week. Will somebody please prove to me that there is some intelligent life out there. Submit answers with name and e-mail (if applicable) to the Lion's Eye box in the Lion's Den.

MUSIC

1. Pearl Jam's first major album was titled "10", which is the uniform number of their favorite basketball player. Who is he? (He now plays for the Atlanta Hawks)
2. What band currently on the charts lead singer died of a heroin overdose?
3. What "industrial" singer lives and recorded in the house made famous by the Charles Manson "Helter Skelter" murders of Sharon Tate and friends?
