

# Penn State Day

This past Saturday October 24, Penn State Brandywine hosted Penn State Day! The event was free and open to all of the Penn State Brandywine family and the community. PSU Day intended to feature a 5K "Fun Run/Walk" around the campus and the THON flea market but the weather conditions cancelled these events. But the fun still continued with activities for children, and old traditions, too, like grilled stickies and hot dogs! Contests featured the best dressed Penn Stater and the Toddler Trot, and everyone was able to do great things like make their own t-shirts, play in the bouncy house, listen to live music, and eat yummy foods until their heart was content.
