

The Best

The first ever Spring Graduation Recognition Dinner took place on Sunday, April 11th.

The event was hosted by the Penn State Brandywine Alumni Constituents' Society at the Springhaven Country Club.

It was a really nice event honoring Brandywine students graduating this May, and three students were awarded certificates.

Rahel Teklagorkis received an award in recognition of Scholarship, Teron Meyers received one for Extracurricular Activity involvement, and Nancy Perone received one for Citizenship. All

PSU Brandywine students spent a great evening being honored by members of our Alumni Association.
