## Congratulations, Bob

Congratulating the Ground Hog Chapter on its National Chapter Award citation is Bob Welk, Strasburg (right), Pennsylvania FFA president, and on the left is the Solanco FFA president, Bob Ecklin. (Lancaster Farming Staff Photo).

## Garden Spot FFAs Honor Four at Banquet; School Work Advancing

By LF Staff Reporter

Four Lampeter-Strasburg area men were awarded Honorary Chapter Farmer degrees by the Garden Spot Future Farmers of America at the annual banquet Tuesday evening

Named were Emory Herr, father of Chapter President Richard Herr, Ross Huber, father of last year's chapter chaplain, Raymond Hüber, John McCullough, father of last year's sentinel, Robert McCullough, and Jack L. Ryan, music instructor who has trained many choruses at Lampeter-Strasburg and started the Holstein Quartet on its way to county, state and national fame.

#### Progress of New Building

The Chapter president made the installation.

Kenneth R. Snyder, high school principal, reported on progress of the new school building, in the absence of Robert L. Adams, supervising principal. "This is the last Father and Son banquet in this building," he told the 65 present. "The new high school, I am sure, is being constructed on schedule and will be 100 per cent ready to go next September," he continued.

"The baseball diamond won't be ready for a year, due to seeding," Mr. Snyder said, "but tile is going down now, complete on the first floor and contracts will be let soon for furniture and equipment."

#### Substitute Teachers

Among guests was Thomas Mahm, area adviser for the FFA in York and Lancaster counties Robert Welk, graduate of Lampeter-Strasburg and now state president of the FFA, reported on the national convention in Kansas City. George W. Myers, sponsor, showed colored slides of the trip.

Introduced were Dio Yost of Ewingsville, Northumberland co-

## More Meat From Less Work Hours

The average American now can buy a pound of meat for less working time than ever before, an American Meat Institute survey reported today. A statement said:

"Average retail prices declining an average hourly earnings of production workers increasing to a new high during 1955—the trend continuing in 1956—it takes only about nineteen minutes of working time to buy a pound of meat, according to figures just available. This is about two minutes less than in 1954.

"Last year it took 21.6 minutes of working time to buy a pound of beef and a record low of only 15.7 minutes of working time to buy a pound of pork. Back in 1919 it took 44½ minutes of working time to buy a pound of meat."

nty, and Joe Very of Montrose in Susquehanna county, student vocation teachers from Penn State who are serving temporarily on the Lampeter-Strasburg faculty.

Entertainment was by the Holstein Quartet, all but one Lampeter-Strasburg men. J. Marlin Harnish was toastmaster, and invocation was given by Merle Groff, chaplain. The home economics girls served the baked ham dinner.

ing equipment, Cold Frames, Hot Bed Boards, Stakes and Tobacco Lath. Luther Peters Washington Boro, Pa. Phone 48038 Columbia, Pa.

Almost everybody thinks, if given the chance, he can write a best-seller.

#### LOUIS BROMFIELD DIES

Louis Bromfield, 59, famed farm writer, died at University Hospital, Columbus, Ohio, Sunday night. Noted as an author, lecturer and conservationist, he was once winner of the Pulitzer Prize.

#### CORN ACREAGE OFF

The United States Department of Agriculture estimates farmers will plant 78,686,000 acres of corn this year, or 3½ per cent less than last year. In 1955 the total was 81,577,000 and the 1945-1954 average was 84,815,000 acres.

- ★ Please mail all advertisements care of MAIL BOX MARKET, LANCASTER FARMING, QUARRYVILLE, PA.

# DON'T BE A WORKHORSE

By unloading your truck with hand labor, you are your own work horse. This costly extra time and hard labor can be eliminated by using a HARSH HYDRAULIC HOIST. Save that \$10-\$15 you spend a day manually unloading and spend only pennies with a HARSH HYDRAULIC HOIST. These hoists come to you at an average cost of only 16¢ a day. Lifting time for the lightweight HARSH HOIST averages from 12-160 seconds, depending on the type of hoist. Even maximum time of 160 seconds is negligible when compared with the hours you spend unloading your truck by hand. Come and see the HARSH HYDRAULIC HOIST designed and built for your truck.
