## Pequea Valley **School Plans Dedication Day**

The Pequea Valley Joint School board and the Joint School Authority will hold open house and dedication services at the new Pequea Valley High School this weekend.

Open house will be from 7 to 9 p. m. Thursday through Saturday, with the dedication services taking place from 2:30 to 4 p.m.

The announcement was made by Arthur W. Eshleman, princi

The building is a brick veneer structure shaped like the capital letter H and located on a 20-acre

The building is planned so that any of the three separate units or areas, namely-(A) gymnasium, auditorium, music industrial arts, vocational agri (B) administration culture; health, cafeteria, home making, art; and (C) classroom section; can be used independently of the others. Metal gates can be lowered between each section closing the various area not in use. The oil heating system is automatically controlled to heat any area independently of the others.

The corridors and lavatories have six and seven foot high structural tile walls. The ceilings the classrooms, cafeteria; suite, administration suite and corridors have acoustical fiber glass insulation. All southern exposure classrooms have a % glass block and % clear glass window lights, northern classrooms have all clear glass window lights.

The classrooms have painted concrete block walls, slate chalk boards and an abundance of tack board.

The classrooms, administration and health suites, library, shops, auditorium, music suite, etc. have flourescent lighting.

The main lobby, 24 feet wide has a terazzo floor, all classrooms and classroom corridors have asphalt tile floors. Other corridor floors have a Keramik finish.

The classroom wing includes 20 regular classrooms. With the other areas B and C included, there is a total of 32 teacherpupil stations.

The auditorium seats 786 and features a decorative redwood trim in the front or stage area as well as in the rear area.

The cafeteria seats 260. The gymnasium is divided into two units by folding doors for physical education classes. It seats 800 and has an asphalt tile

The music suite includes a band room for 100, practice. rooms, storage rooms, and an office.

The shop, industrial arts and agriculture, have a planning, room, finishing room, woodworking and metal shop and storage

cludes two large homemaking rooms.

The planned use of color eliyears past. Warm color tints are | Photos.) used in rooms facing the north while cool colors are used on southern exposures.

### PRR Wreck at Fishing Creek

Scattered like matchboxes, cars of the Port Deposit freight line of the Pennsylvania Railroad stand along the river right-of-way at Fishing Creek, where they were dumped in a spectacular wreck Tuesday afternoon, May 1.

Standing on end, these four crushed boxcars missed a dunking in the Susquehanna, in the Tuesday last week wreck at Fishing Creek. Twenty-one cars were derailed. Seven rolled to the river's edge.

Here a crane pulls some of the smashed cars back on The home economics suite in the tracks at Fishing Creek, where Sunday evening the Quarryville Fire Co. was called. Several of the cottages were threatened when wreckage being burned along the low grade. Workmen were able to check the flames. Serveffect that was so common in ice has been restored on the line. (Lancaster Farming Staff

## County Dairy Men Delegates To Milwaukee

Eighteen members of The Hole Association stein-Friesian America have been elected by their fellow members in Pennsylvania to represent them at the 71st Annual Convention of the organization at Mılwaukee, Wisconsin, June 6 and 7. They are W. D Fairchild of Berwick; Earl L Groff of Strasburg; Harvey Rettew of Manheim; Paul R. Anthony of Strausstown; Clarence E Lyons of Mount Joy; H. M Gans of Gans; Ralph M Sands of Wyoming; Norman E Risel of York; Roy S. Bowen of Wellsboro; Irvin M Macafee of Milan. Hubert S. Miller of Myerstown, Clark Bowen of Wellsboro, Jonas Gruver of Thomasville, Albert W Smith of Springville; Paul G Longenecker of Strasburg, Leon Ballard of Troy, J H Silvis of Greensburg, and Timothy H. dairy cattle sold during the year.

Farm Bureau Federation statement: "We do not maintain strong and autonomous state governments by constantly diminishing the scope of state responsibility."

Gehman of Macungie.

These Pennsylvania delegates will join delegates from all 48 states in discussing the buisness, formulating, the policies and electing the officers of the national association - the world's largest dairy cattle breeders' registry organization with a total membership of more than 46,000.

Last year, the Holstein-Friesian Association registered an all-time high of 197,608 new animals in its Herd Bood and officially recorded the transfer

of ownership of 1:19,200. These totals represented more than 51 per cent of all purebred dairy cattle registered and more than 50 per cent of all registered
