

This chart shows the general nature of the total precipitation which fell during the preceding 30 days. Precipitation is expressed in three classes: light, moderate, and heavy, and the precipitation amounts which determine these classes are obtained from an analysis of many years of record at many stations.

Sara Ann Herr

Sara Ann Herr, Rohrerstown, Pa., last year's grand championship winner of the Pennsylvania Chicken-of-Tomorrow Contest, is shown here with this year's fifth-place winners in the Coatesville regional Chicken-of-Tomorrow Contest. With her is Mrs. Howard (Anna) Martin, whose husband is general manager of Martin's Hatchery, Lancaster, who supplied the chicks originally. (Lancaster Farming Staff Photo).

The easing of credit by fall is predicted
