Penn State Names Floriculture Prof

Dr. John W. Mastzlerz has been named professor of floriculture at the Pennsylvania State University to succeed Dr John G. Seeley who became head of a department at Cornell University.

Dr. Mastzlerz, who assumes his position in charge of teaching and research in floriculture Sept. 1, was graduated at the University of Massachusetts, received his master's degree at Purdue, and his doctor's degree from Cornell in 1952. Since that time he has been specializing in research at the Waltham Field Station for the University of Massachusetts.

Projects under his study include cut flower storage, nutrition of floral crops, light and temperature influences on carnations, propagation of greenhouse flower crops, and similar experiments.
