

Progressive Picnic Is Scheduled By Fulton Grangers On Sept. 3

A progressive picnic will be held by members of Fulton Grange No. 66 on Monday evening, Sept. 3, in place of the regular monthly meeting.

The group will gather at Oakryn Grange Hall at 7:30 p. m. and travel by bus to homes of the members. Those attending were asked to bring silverware, hot dogs and a covered dish of vegetables.

Plates will be provided and dessert will be served at the last stop. Games will be played.

Plans for the event were announced at last week's meeting of the grange, held at Oakryn Hall. Charles G. McSparran, master, was in charge.

It also was announced that the home economics committee will sponsor a chicken barbecue later this month. Ticket chairman is Mrs. William Walton and the table committee includes Kenneth Probst and Edward James. The youth committee will serve. Pomona Grange No. 71 will

hold a picnic on Saturday, Aug. 18, at 7:30 p. m. at Oakryn Hall for all county Grangers and their families. The hospitality committee includes Walter Wood, John Galbreath, Miss Marie Murphy and Mrs. Earl Walton.

Miss Mabel Brabson, lecturer conducted the program on the topic "Safety." She read a number of "famous last words" and gave some facts on the subject. Mr. Earl Walton gave a talk on "Teaching children to work and play safely."

A safety quiz was conducted by Miss Ruthann Armstrong and Miss Brabson gave a quiz on the penny.

Songs were presented by a group composed of Mr. and Mrs. Theodore Beck, Kenneth Probst, John Galbreath, Mrs. Henry Styer, Mrs. Earl Walton, Mrs. Laura McSparran, Miss Evelyn Richardson, Miss Ruby James and Miss Joanne Gleekin.

A talk on the "Soil Bank" program was given by Theodore Beck, followed by a vocal solo by Mrs. Henry Styer, a poem, "Safety First," by Mrs. William Walton; and a reading, "One Step More," by Miss Brabson.

Make Clothing to Save Time, Money

More for the money That's what you get when you make your children's clothes

It takes less time to make children's clothes than it does to make adult clothing, points out Bernice J. Tharp, extension clothing specialist of the Pennsylvania State University. You can get better material and construction by sewing at home.

To speed up the job, select patterns with as few pieces as possible. Learn to use the flat method of construction which enables you to let out the garment at side seams.

Marilyn R. Harnish Purchases Ayrshire

Marilyn R. Harnish, Quarryville, recently made an initial purchase of one registered Ayrshire according to the Ayrshire Breeders' Association Executive Secretary, Chester C. Putney, of Brandon, Vt.

The transaction was recorded in the National Office of the Ayrshire Breeders' Association in Brandon where complete records on all registered Ayrshires in the United States have been maintained since 1875.

Because of their ability to produce at a low cost an abundance of milk with an average butterfat test of four per cent, the Ayrshire breed of dairy cattle has become increasingly popular with dairymen throughout the country.

Uncooked Jam Now Possible with Pectin

It's now possible to make jam without cooking. Louise W. Hamilton, extension nutritionist of the Pennsylvania State University, says a per cent solution is stirred into sweetened crushed raspberries, blackberries, blueberries, strawberries, or peaches. The jam has the flavor and color of fresh fruit and will keep in the refrigerator a few months or in the freezer as long as a year.

BEEES LIKE TRAFFIC LIGHT

Chattanooga, Tenn. — A swarm of bees, estimated as from 8,000 to 10,000, landed atop a downtown traffic light and sent pedestrians scurrying. An amateur beekeeper, Charles McGhee, cleared up the jam when he got a box and a ladder from a nearby store and coaxed the queen bee and her followers into the makeshift hive. McGhee then transferred the swarm to a hive at his home.
