Ephrata Champion Steer

Champion steer of the 38th annual Ephrata Fair was a Hereford shown by Miss Joyce Nolt, 13, daughter of Mr. and Mrs. Amos M. Nolt of R1 Reinholds. Steers were judged Wednesday by Tom King of the Pennsylvania State University (Lancaster Farming Staff Photo).

the kind we appreciate, and are happy to pass along to others.

Enclosed is \$1 for my subscription to Lancaster Farming. I have received my first copy and believe I will enjoy it very much

Here are a few suggestions on the use of lemons

Lemon juice is excellent to replace vinegar, use it just as you would vinegar

Lemon juice will sour sweet milk suitable for cooking. Add a few drops or a small teaspoonful to each cup of milk.

After washing dishes, and to remove vegetable stains, rub the hands well with lemon juice. It

will keep them white and soft, and will also remove the odor of fish and onions.

Mrs. Carl Martin, R3 Manheim, writes: We have received a number of copies of Lancaster Farming, and have liked it so well. It is very interesting from cover to cover. As a mother, I especially enjoy the recipes.

Here is a favorite pudding of our family:

PINEAPPLE TAPIOCA

Mrs. Carl Martin, R3 Manheim
One-half cup Minute Tapioca
One cup granulated sugar
Three cups water
One-fourth-teaspoon salt
Combine the above ingredients in a sauce pan. Place on burner and stir constantly until it comes to a boil. Boil one-half minute. Remove from fire and add

Two cups pineapple juice
One and one-fourth cups crushed pineapple
Stir well but do not heat
Pour in dish to cool; during cooling period stir frequently so tapioca and pineapple are well mixed.

For a variation, instead of using pineapple, use the same amount of juice but no fruit and use either grape juice or apricot nectar. These are delicious desserts, especially when topped with whipped cream

From Mrs. Martin,

HOME MAKING HINT

If you are so fortunate as to have one of Grandma's old fashioned copper buckets, place a teaspoon of salt and one cup of vinegar in it. Heat. Take a sponge and rub the interior to clean well. When

making pickles, boil them in the copper bucket and they will get a beautiful green color and look very attractive. Clean bucket well after each using.

Mrs. Jason S. Lowry, R2 New Holland, writes that she is submitting a recipe for the first time, and she hopes she has explained it all right. We think so, for here is her letter.

I am a reader and also a subscriber to your paper and enjoy it very much, especially the page for women. Here is a recipe for Green Tomato Pie and Fried Tomatoes.
