#### DOUBLE MEANING

A lady was very much pleased because her husband had called her an angel. She was not accus-

tomed to complaints from him and asked him why he had called her an angel.

"Because," he replied, "you

are always up in the air, you're continually harping on something, and you never have a darn thing to wear."

#### DANGEROUS JOB

BOISE, Idaho — To estimate a bid on a roof repaint job, Earl Jenson, a Boise contractor, climbed into the attic of the Boise public library. Jenson accidentally crashed through a skylight and landed 20 feet to the floor below. He wasn't so badly hurt but he'll have to include a broken skylight in his estimate.
