the chocolate batter. Pour one cup boiling water over all. Bake in 350-degree oven about 1 hour. Whipped cream sweetened with crushed peppermint stick candy is delightful with this dessert when it is served warm. Or serve it with mint ice or ice cream.

We have here two vegetables that would be a nice accompaniment to baked ham or ham loaf. The first recipe uses carrots and the second for an extra special way to serve beans.

CARROT SOUFFLE

Four tablespoons butter
Four tablespoons flour
Two-thirds cup milk
One teaspoon salt
Two cups cooked sieved carrots
One teaspoon minced onion
Three eggs
Melt butter, blend in flour, and add milk, stirring while cooking until thickened. Add salt, cooked carrots that have been forced through a sieve, minced onion and beaten egg yolks. Mix well, then fold in beaten egg whites. Pour into a well-buttered ring mold set in a pan of hot water. Cook in a 325-degree oven until firm or about 1 hour. Unmold on a warm plate and fill center with buttered lima beans.

GREEN BEANS WITH BUTTER HERB SAUCE

One and one-half pounds beans
One-fourth cup butter
One-half cup finely minced onion
Two tablespoons parsley, minced
One-half teaspoon thyme
Three tablespoons lemon juice
One teaspoon salt
One-fourth teaspoon paprika
Cook beans in boiling salted water until tender. Fry onions in melted butter until tender and not brown, about 5 minutes. Add remaining ingredients and pour over hot, cooked beans. Serves 6.

As one member noted, it was interesting to see that both anti-ques and modern were both the very practical, cover up, sturdy material kind—and the frilly man-trap kind that might catch a husband, but would not stop splashed food.

One woman showed several white beautifully hand made aprons with lovely hand work on them in the form of lace insertions or drawn work. She remarked that she never remembered her grandmother without a fresh white apron.

The meeting closed with a sale of home made or home grown products, including aprons. During the business session the
