'Gone Gobbler's' For Spook Night

Whether the frost has nipped the "punkin" or not, we don't know; but he's a beautiful yellow-orange and turned Jack-o-Lantern, he has a wonderful toothy grin that reminds us Halloween is here for celebration.

Instead of allowing your youngsters to roam the streets for their treats, why not invite their friends for a treat at home and make it a dinner party. Here's the trickiest menu treat you'll find

Bean Bake & Halloween Kabobs
Hot Dog Buns
Peach "Pumpkin" Salad
Spicy Baked Apples
Beverage

Beans in Tomato Sauce are a teen age favorite. Top a big casserole of plump, brown beans with kabobs made so.

HALLOWEEN KABOBS

- 2 cans (one pound) Beans in Tomato Sauce
- 4 frankfurters, quartered crosswise
- Mild mustard
- 3 dill pickles, quartered crosswise
- 2 small onions, each cut into six crosswise slices
- 1 tablespoon salad oil
- 2 teaspoons vinegar

Heat oven to 350 degrees. Spoon beans into shallow baking dish. Dip cut ends of each piece of frankfurter into mustard. Alternate pieces of frankfurter, pickle and onion on skewer, beginning kabob and ending with meat. Arrange kabobs on top of beans. Brush kabobs with mixture of oil and vinegar. Bake 40-45 minutes or until beans are hot. Makes 4 servings.

Peach Pumpkin Salads have delighted the young in heart for many years. Here's the recipe.

PEACH "PUMPKIN" SALADS

- 1/2 cup cottage cheese
 - 6 canned peach halves, drained
- Fill peach half with cheese. Place on lettuce, rounded side up. Make a face on this "pumpkin" using a slice of maraschino cherry for a mouth, a raisin for a nose and raisins or slices of green

olives for eyes. Place a small piece of celery at the top for stem.

For dessert, crimson coated, Spicy Baked Apples. The spice flavor comes from a ketchup-based syrup that bubbles and boils and spreads its rich goodness through the crisp, tart fruit.

SPICY BAKED APPLES

Heat oven to 350 degrees. Wash and core apples. Pare apples one third of the way down, place in shallow baking pan. Top each apple with one tablespoon ketchup combined with one tablespoon water. Bake 45-60 minutes, basting occasionally, or until apples are tender.

Since we always think of pumpkin pie when we think of Hallow-

JACK O' LANTERN grins with satisfaction at this Halloween supper of Beans with Kabobs and Spicy Baked Apples. See recipes below.

cen, here is a recipe for pumpkin pie. There are many, many recipes for pumpkin pies but this

one is a bit different in that it makes use of a favorite sweetener maple syrup. We hope you'll like it.
