which was overwhelmingly approved.

Robert H. Kauffman reported on past results and future plans for the association's Junior Project.

H. Leroy Welk, reported the per cow average price for registered Holsteins consigned to the 1958 Conestoga Classic sale was a record for the nationally famous event.

Arthur W. Nesbitt, University Park, state fieldman for the Pennsylvania Holstein Breeders, delivered a progress report on herd testing and classification. He also explained new information in handling of association work on the national level.

The audience also heard the Rev. C. D. Spotts, professor of religion, Franklin and Marshall College, speak of "Dairying down through

history and around today's world."

Lyons was awarded an engraved plaque by the group for his efforts, which were listed as "being mainly responsible for this meeting tonight and the strength of the county group overall."

Hess, Robert C. Groc and Galen Herr were elected to the board of directors.

Following the banquet, the board met and elected Kauffman to the Association presidency; C. Richard Landis became vice-president; J. Lester Charles was retained as secretary, and Paul B. Hess held over as treasurer. Lyons will continue as state director.

In 1922, the first balloon tires were introduced on US cars. The tire and tube industry in 1957 increased its investment in newspaper advertising by 39 per cent over the previous year.

**STOP FREEZING**  
here's heat you can take anywhere

A Knipco portable heater keeps you warm indoors or out... just pick it up and take it with you, plug in any 115 v. AC outlet and flip the switch. Circulating warm air pours out instantly.

The Knipco "Super-70" weighs only 45 pounds; runs 10 hours on a tankful of kerosene or No. 1 fuel oil; puts out as much heat as a furnace in a 5 room house for only 8c an hour.

Use it to preheat engines, thaw pumps, "spot heat" outside areas, circulate warm air indoors. Stop by and let us show you one in action. Large sizes also available.
