

Henning To Speak At J-C Award Banquet

Lancaster County's "Outstanding Young Farmer" of 1958 will be honored January 6, 1959, at the banquet sponsored by Lancaster County Junior Chambers of Commerce.

Pennsylvania Secretary of Agriculture W. L. Henning, will be guest speaker for the Award Dinner, scheduled for the Blue Ball Fire Hall. A panel of judges will select the county's top young agriculturist for recognition in the JayCee program.

The public is invited and tickets are now available from members of the Lancaster, Strasburg and New Holland Chapters of the JayCees, local sponsors of the event which selects a candidate for state and national honors.

BURLING'S CHICKS WIN AGAIN

Once again, to add to our long string of victories, our Leghorn and New Hamp chicks at NEPPCO's 1958 Egg-to-Chick Show won two firsts out of only two Burling entries.

We have won firsts at this show almost without a break, and hold two Grand Championships.

Since incubation and selection of chicks used for showing is beyond our control, this is further proof of high quality — the kind we deliver to you.

Scoring of our White Leghorn entry, first in the Egg Production Division, was as follows:

Egg Quality Score . . . 89.25
Hatchability Score . . . 88.3
Chick Quality Score 98.0
Total Score . . . 92.47

There were 9 different entries in the White Leghorn Class in the Miscellaneous Class, with 5 or more entries of the same breed, Burling's New Hamp's scored 84.67 points to win top honors.

Old Hen Eggs Used

The eggs which we used for this competition were old-hen eggs, which do not score as high in quality as pullet eggs. We have always used old-hen eggs for this show, which makes these winnings all the more significant.

Cocalico Girl Wins Turkey Roundup

Janice Showalter, daughter of Mr. and Mrs. Harry Showalter, Reinholds, RD1, seven-year 4-H Club member, Tuesday evening scored a clean sweep of the 1958 county 4-H Turkey Round-Up.

Janice's exhibit in competition conducted in the Strasburg Fire Hall was awarded a perfect ten-points. Her overall project again led the field with 98 of a possible 100 points.

The Cocalico students mark topped a tightly bunched group of exhibits with the sixth place entry edged by a meager 1½ points.

J. David Lapp, 17-year-old son of Mr. and Mrs. John B Lapp, Bareville RD 1, was runnerup in both division with an overall score of 97.8 and an exhibit scoring 9.5.

Mary E. Hess, Manheim RD 3, placed third in the exhibit class, while Roger Stoner, 1051 Eden Rd, Lancaster, placed third overall, with the 85 score in exhibit.

Miss Hess had fourth in overall project totals. Neil Bushong, Lititz RD 1, placed just below her in the exhibit with an 88 score.

VISITORS TO last week's Keystone National saw in this sprawling section of the exposition's exhibits the largest grouping of blooded sheep ever gathered for an eastern show. Nationally the Exposition Sheep Show ranks in second place. For the first time in an eastern contest, the USDA developed, "Columbia" breed was entered. One of the all-time major Southdown breed competitions was included, in the 1958 Official Southdown Show. Small wonder the judging area in the center of this sea of pens above was seldom idle —LF PHOTO

Stephen Weicksel, Oxford RD 1, followed with an 8-7 in exhibit for fifth, with Bushong gaining this spot in the overall.

Many people could retire comfortably on what their experience has cost them.
