

STEAMING TURKEY

Place breasts and legs in separate solid steamer pans. Steam at 5 pounds steam-cooking pressure until tender, about 1 to 1½ hours.

Cook bony pieces and gibets promptly to obtain broth for gravy. The cooked meat may be cut up and added to the gravy or used in salad soup the following day.

Turkey quarters will come from the large turkeys 20 to 25 pounds. A turkey quarter about 6 pounds will serve 8 to 10. A turkey quarter about 4½ pounds will serve 6 to 8.

TO ROAST: Rub cavity of cut side with salt. Skewer skin to meat along cut-edges. Tie leg to tail or wing to breast, depending on quarter

bought. Place turkey, skin side up in a shallow pan. Grease with cooking fat. Cover with fat moistened cheese cloth. Roast at 325 degrees for 2½ to 3 hours if 3 to 5 pounds (ready-to-cook weight). When done, turkey will be fork tender. Wing or drumstick should give readily when moved. If a meat thermometer is used, temperature should read 190 degrees.

Turkey may be cooked in aluminum foil. Aluminum foil wrap turkey quarter. Place on bottom of a shallow pan. Place in a pre-heated 450 degree oven. Cook to within 15 or 20 minutes of cooking time given above. Remove from pan. Fold foil away from turkey. Replace turkey to oven and continue cooking until turkey is

browned, about 15 or 20 minutes. Allow to stand before slicing.

News is the plural of the word "new." The Greeks' word for it was "nece" and it became in Anglo-Saxon "neowe" and later in middle English "news." It is akin to the French "nouvelles"

For the Farm Wife and Family

Society No. 8 Observes Annual Family Night

Family night was observed by Society of Farm Women No. 8 Saturday at the Green Tree Church of the Brethren.

A covered dish supper, followed by an illustrated lecture on Alaska by Dr. David Schlosser, Mount Joy, were the program features. Approximately 75 mem-

bers and their families were present.

Next meeting will be a Christmas party at the home of Mrs. Clinton Eby, N. Barbara St., Mount Joy. Members are asked to bring a 50c gift for exchange. New officers will be installed by Mrs. Elam Buckwalter, county society president.

Society 14 Meets In Groff Home

Farm Women's Society No. 14 held its november meeting, November 12 at the home of Mrs. J. Clarence Groff, Strasburg R1, with Mrs. Jason Mellinger and Mrs. Charles Meloy serving as co-hostesses.

Mrs. Groff and Mrs. Paul Longenecker were appointed as delegates to the state convention at Harrisburg

The membership voted to contribute \$25 to United Fund and \$10 toward transportation for 4-H girls to the annual congress at Chicago.

Mrs. Howard Erb, Littiz, accompanied by Mrs. Melvin Hess, entertained with a program of soprano solos.

A demonstration of decoration making from common household items was given by Mrs. Mary Lauver.

The society will entertain the members' families with their annual Christmas party, at 6:30 p.m. December 10 in the Strasburg Fire Hall. Miss Ruth Schwenk, Cressona, will be guest speaker.

The driver who speeds along at 85 is literally killing time

with **ROCKLAND**

"PARA-STREP" DUST

PARA-STREP is equally as effective as or better than, the standard 47 mg. grams of dihydrostreptomycin, but actually costs less.

PARA-STREP is approved by the U. S. Food and Drug Administration for safety and effectiveness.

PARA-STREP is a patented combination of dihydrostreptomycin and Para-Amino Benzole Acid (P.A.B.) in micronized suspension form. The two drugs fortify each other by scientific synergistic action, making the combination far more effective than if the pair were administered individually. One 400 cc. bottle treats 1,000 birds. *Patent pending.

MORE WHITE EGG PROFITS

Hubbard's Kimberchik K-137 has proved its outstanding superiority as a white egg producer. Under the most difficult commercial conditions the Hubbard Kimberchik continues to be the poultryman's profitable answer for top quality white eggs. The K-137 produces eggs with an excellent firm albumen content...the kind of eggs the consumer demands...not too large — not too small — but just right. Every trait of the K-137 points to profit. Large egg size early means an early return on your flock investment. High egg average per year means more eggs and more profit. The smaller body size means lower feed costs. You, too, will find the Kimberchik K-137 produced by Hubbard the best all-around bird you ever had. Make your next flock Hubbard Kimberchik and cash in on this top white egg producer.
