BURLING'S CHICKS WIN AGAIN

Once again, to add to our long string of victories, our Leghorn and New Hamp chicks at NEPPCO's 1958 Egg-to-Chick Show won two firsts out of only two Burling entries.

We have won firsts at this show almost without a break, and hold two Grand Championships.

Since incubation and selection of chicks used for showing is beyond our control, this is further proof of high quality — the kind we deliver to you.

Scoring of our White Leghorn entry, first in the Egg Production Division, was as follows:

Egg Quality Score	.. 89.25
Hatchability Score	. 88.3
Chick Quality Score	98.0
Total Score 92.47

There were 9 different entries in the White Leghorn Class. In the Miscellaneous Class, with 5 or more entries of the same breed, Burling's New Hamp's scored 84.67 points for top honors.

Old Hen Eggs Used
The eggs which we used for this competition were old-hen eggs, which do not score as high in quality as pullet eggs. We have always used old-hen eggs for this show, which makes these winnings more significant.
