Local Antique Dealer Solves Water Problem

Mrs. William J. Hinden, RD 1, Ronks, enjoys continuous, safe Everpure water.

The Hindens feel that in order to protect the health of their family and customers it is necessary to guarantee a constant supply of safe water. This is done through use of their C-D (chlorination-dechlorination) system installed by Century Appliance Company.

Here's Really BIG Row Crop Power

4-5 Plow **OLIVER 880**

This is it! All the power you want in a row crop tractor—well over 50 h.p. on the drawbar, delivered by a big, smooth, higher speed 6-cylinder engine.

And a new way to speed up heavy draft jobs! Now, Oliver gives you 12 forward speeds with the Power-Booster Drive—almost one-third more pull on the go at the touch of a lever.

But, there's still another way to utilize the full power of your 880: add Oliver's new Power-Traction Hitch. In plowing, for example, it transfers weight to the rear wheels, keeps you going in the tough spots. Then, there's Powerjuster wheels and power steering—sure ways to ease your working day.

There's only one way to see all that's new in the 880. Stop in soon. Try it, too—feel the power of this big, new Oliver.
