

# 40th Anniversary

Many changes have taken place in the Feed Industry during the past 40 years. D. E. Horn & Company has always kept pace with PROGRESS, and at this, the 40th milestone, present to the farmer and poultryman the most modern, economically operated Feed Plant in the Eastern United States.

Now, to say "Thank You" to our loyal patrons and friends through the years, we have arranged for an "open house" for inspection of our recently completed
