GOOD BEEF
 (From page 6)
 fat covering with
 fullness evident in the
 brisket, flanks, and
 udder
 e under 18 months of
 may have somewhat
 finish, which is lar-
 restricted to the back
 and upper rib.
 brisket, rear flanks,
 d or udder are slight-
 Good cattle are us-
 moderately smooth and
 refined in appear-
 e coarseness may be
 relatively older cattle
 Good grade.

**County Quartet
 Join D.C. Trip**

J. Roy Greider, Mt. Joy RD 1, will head a delegation of four Lancaster County Farmers' Assn. members included in 175 Penna. farmers trekking to Washington D. C. Monday. The trip is part of a lobbying effort on

the part of the state organization to present its policies to the state congressional delegation.

Also making the trip are Harold G. Rohrer, Lancaster RD 1; J. Robert Hess and Ira D. Welk, both of Strasburg RD 1.

Donald Ace, Penn State extension dairy specialist, estimates that 50 to 85 per cent of the dairy barns and all of the milkhouses will be remodeled or rebuilt within the next few years.

**Mrs. Martin Hosts
 Society No. 19**

Mrs. Henry Martin, Litz R. D. 4, Saturday was hostess for Society 19, with members answering roll call with ideas of "How to Reduce."

Mrs. Lester Groff was auctioneer for a food and home-made goods sale.

Mrs. C. Roy Miller, Manheim R. D. 1, was admitted as a new member.

The members voted to attend the Philadelphia Flower Show on March 9 and to extend an invitation to Soc 16 to be guests of the April 4 meeting at Farm Bureau auditorium, Lancaster.
