30 COWS - 10 BRED & 18 OPEN HEIFERS

10 fresh since the first of the year, five due in March, but you will be particularly interested in the many good ones that are due from July on.

All families trace two to eight times to the blood that made HILL GIRT and SUNNY RIDGE herds very famous twenty years ago. More recently CURTISS CANDY Sires have been used almost exclusively. Production wise, the majority of the females have records over 400 lbs. fat and are capable of doing that much or better for you.

Majority Vaccinated - Bangs and T.B. Certified.
