Chicago Cattle All Grades Fully Stdy.

CHICAGO, AUG. 13
WEEKLY REVIEW

CATTLE—Supplies three per cent smaller than last week when receipts were largest in six weeks, fully 10 per cent smaller than the corresponding week last year. Percentages of the various classes and grades in receipts little changed from last week nearly 75 per cent of arrivals slaughter steers, around eight per cent prime and better than 60 per cent choice, balance largely good grades with only scattered loads and lots grading standard and below. Between 15 and 20 per cent of the run heifers, principally good and choice grades. About six per cent cows. Average weight of slaughter steers about the same as last weeks average of 1169 lbs. which was the heaviest in four weeks.

Slaughter steers showed very minor day to day price changes with closing market steady to 25 higher compared late last week, advance on weights over 1100 lbs. Heifers mostly steady but cows advanced 50 - 1.25, most advance on cows grading utility and below with the general trade on such cattle fully 1.00 higher for the week, some low grade cows nearly 3.00 higher than
