SEED CORN . . . News Flash!

here's what Pennsylvania farmers are saying about the **NEW Farm Bureau Profitmaker Hybrids**

- "As good as any corn I have grown"
- "100% improvement over other corn in the same field"
- "Looks extra good"

These are actual reports from farmers who raised the new Farm Bureau Profitmaker Hybrids this year. These hybrids have proved superior in many characteristics, particularly yield.

That's because Farm Bureau has been the pioneer in developing hybrids especially adapted to Pennsylvania conditions.

NEW PROTECTIC against shipping fever loss

New Wayne Bio-Rumintra—contains a high level of biotic plus premium nutrition to build extra body reserves during the critical starting period. An appetizing, concentrated feed, Bio-Rumintra combats stresses of shipping, severe weather changes, and other conditions leading to shipping fever complex.

Wayne Beefmix A To Follow Up—contains a special level of antibiotic for continued protection against rot and many other stresses. Beefmix A contains the rumen nutrients as Bio-Rumintra for low cost gains, the condition.

We Have A Wayne Feed For Every Cattle Feeding
