Georgia closed with 153,000 head offered and 130,000 head sold at prices ranging from 13.5 to 15.5. Estimated slaughter in Georgia for the week end was 1,486,000 head.

Fluid Milk Production Down At All Points

Declines in the production of fluid milk were reported at all points except Atlanta this week. Supplies were adequate for a fair to good bottling demand. The surplus milk which was held by the New York dealers because of the unsettled strike situation was reported nearly cleared.

The price at New York for bottling quality milk was unchanged at \$5.90 per 40 quart unit.
