has been officially proclaimed by Governor Lawrence as Farm-City week, and all residents of the commonwealth are called upon to participate objectively in those events designed to bring about better understanding between rural and city people.

The program locally is the first of its kind to be attempted in the county. Tentative plans are for the participating industrialists to visit farms next year.

Be sure to take soil samples for testing before the ground freezes, urges James Eakin, Penn State extension agronomist. Then the proper fertilizers can be ordered in time to take advantage of early order discounts.

**Hearings On Milk Orders Reopened**

The U. S. Department of Agriculture recently announced the reopening of a hearing held in Philadelphia Oct. 22, to consider amending the minimum producer prices set for Class 1 (fluid) milk under the Phila. and Wilmington (Del.) Federal

milk marketing orders.

Additional evidence will be received at the reopened hearing scheduled for 9 30 a. m. Nov. 23 in Room 3082, U. S. Courthouse, 9th and Market Streets, Philadelphia, Pa.

At issue in the hearing are the Class I prices established in the two orders in relation to each other and to the Class I pictures in other markets and in relation to the value of milk for manufacturing Federal uses.

**BURLING'S CHICKS For Top Quality Eggs**

This year, at NEPPCO, our egg quality was highest among all entries. These were hen eggs—after they had been laying 12 to 14 months. That's when Quality Eggs pay best.

At Bill Burling's you can find just what you want.

You have eight top strains and crosses to choose from. Our Sexlinks are very popular with nearby farmers.

Then there are the "pick" of the best strains and crosses for Broilers, or meat-and-eggs.

One customer said our Carey Leghorns are: "Just wonderful birds to handle". That's important in high-powered Leghorns.

**Burling's Big 8**

Carey's Famous Random Sample Test-winning Leghorns. A customer made a 270-egg average on 1800 birds!

Merryknoll Sexlink (Rock x Red)—Bred by electronic "brain" methods.

Golden Sexlinks — Harco male x Andrews White Rock female. They're tough, and great layers.

Cobb's White Rocks — Broiler Test winners and good layers too.

Vantress x Cobb White Rocks — Popular for meat.

Garrison Cornish Male x Cobb White Rock female. Super meat quality.

Gove's Barred Rocks.. Still a favorite of many farmers.

Burling's New Hampshires. Carefully selected stock.

Nothing handles manure like an Allis-Chalmers No. 110 Manure Spreader. Don't buy any spreader until you've seen for yourself how easy it loads—from the rear or sides, with no arches or beaters to block the way. See what a good job of shredding and even spreading it does.

Stop at our store, or call us, for full information on this spreader.
