Legal Notice

TO: JOHN W. MCKINNON, and his heirs, legal representatives and assigns, generally:
You and each of you are hereby notified that on November 6, 1959, Leo G. Smith filed a complaint in an action to quiet title against you as defendants in the Court of Common Pleas of Lancaster County, Pa., and to which complaint you are required to answer, setting forth the following: John W. McKinnon, by virtue of an assignment dated June 19, 1907 from the Pennsylvania State Building & Loan Association became the owner of a mortgage against premises in Conestoga Township, Lancas-

ter County, Pa., and which premises are more fully described in said complaint; that said mortgage, recorded in the Recorder's Office at Lancaster, Pa., in Mortgage Book 94, Page 197, was given by Edward Peaco to said Pennsylvania State Building & Loan Association, and assigned as aforesaid to John W. McKinnon, said assignment being recorded in said Recorder's Office in Mortgage Book 118, Page 266; that no payments on account of or acknowledgment of said mortgage indebtedness, have been made and no action to enforce the same have been brought since January 1, 1908; and that a presumption of payment of said mortgage has arisen because of the lapse of 21 years. You and each of you are hereby notified that on Jan-

ary 15, 1960, at 9:30 A. M., plaintiff will ask the Court of Common Pleas of Lancaster County, Pa., at the Court House in Lancaster, Pa., to determine that said mortgage has been paid in full because of said presumption, and to order the Recorder of Deeds of Lancaster County, Pa., to satisfy said mortgage of record.

You can have a breath of spring in mid-winter, according to Mrs. Lynn Smith, Penn State extension ornamental floriculturist. She says you can pot bulbs of tulips, daffodils, narcissi, hyacinths, and similar flowers now. After a resting period they can be forced into bloom.

Animals returned from fairs and exhibits should be isolated from the rest of the farm livestock for at least 30 days as a herd health measure.

BURLING'S CHICKS For Top Quality Eggs

This year, at NEPPCO, our egg quality was highest among all entries. These were hen eggs—after they had been laying 12 to 14 months. That's when Quality Eggs pay best.
At Bill Burling's you can find just what you want.
You have eight top strains and crosses to choose from. Our Sexlinks are very popular with nearby farmers.
Then there are the "pick" of the best strains and crosses for Broilers, or meat-and-eggs.

One customer said our Carey Leghorns are: "Just wonderful birds to handle". That's important in high-powered Leghorns.

Burling's Big 8
