

● **County 4-H**

(From page 1)

competition with a demonstration on the control and eradication of cattle grubs. These boys both students at Elizabethtown College, won state competition in livestock demonstration in August. The demonstration they will present in Chicago will not be the one used at Penn State University since the national contest calls for the subject to deal with the conservation phase of livestock raising.

Kenneth Young, son of Mr. and Mrs. Charles Young and Melvin Shenk, son of Mr. and Mrs. Harry Shenk will be Pennsylvania's only 4-H club representatives at the International Dairy Show and the fifth annual 4-H Dairy Conference. Both Young and Shenk are high school graduates farming a with their parents. The trip is an award for their win in the dairy demonstration contest at state 4-H club week.

According to Dr. William Smith, state 4-H leader at the Pennsylvania State University, Pennsylvania will have a delegation of 35 at Club Congress out of a 1500 total attendance.

National winners, best of the champions from all the

states, and yet to be selected will share 100 cash scholarships worth \$40,000.

Striking a balance between seriousness and fun, the 1500 delegates will take part in tours, exhibits, talks, assembly sessions, and group discussions.

One of the big events of the week will be a visit to the International Livestock and Dairy show.

A special feature of the program on December 2, will be a talk by Secretary of State, Christian Herter. Secretary Herter will address the delegates and leaders at

a luncheon.

In addition to other youth from Pennsylvania, the Lancaster County delegates will have an opportunity to meet youths from all the other 49 states and from Canada, Puerto Rico, and more than 20 foreign countries.

The delegates to the Dairy show will tour the downtown and Loop sections of Chicago, attend the national championship rodeo, and sit in on many other educational and entertainment features as the guests of many of the nation's biggest business and educational organizations

NOW!

COMPLETELY

PELLETED

DAIRY

RATIONS

from

MILLER & BUSHONG

EFFICIENT, because each pellet contains a full feed formula. Complete. Uniform. Pellets provide a normal molasses ration. Digestibility is excellent. Pellets make it easier for the cow to consume its full allotment of ration in the milking parlor.

ECONOMICAL handling, because completely pelleted rations are more practical for convenient bulk feeding. No separation of pellets and fines. Your dairy herd enjoys a better balanced diet. What's more, there is less waste in handling and feeding.

CHOOSE Green Pasture 16' Dairy Ration or #22 Dry and Freshening Ration. Now, both completely pelleted for your convenience, economy, efficiency.

USERS

State:—

"These Pellets really flow down good."

"My cattle licked this stuff right up."

"Cows did not blow and sniff and look at them, but went right ahead and ate them. No trouble changing feed."

"My production has been unusually good since I used your pellets. Cows really eat them."

"Certainly seems more economical. no waste at all."

Mr. Dairyman

Are you wondering what these pellets will cost? Be reassured, it's much less than you think and they really do the job!

If you have no bulk tank facilities now, we'll be glad to help you work it out.

See our Service Representatives, or call us direct at Lancaster, EXpress 2-2145.
