2 teaspoons salt
1 1/2 cups milk

tomatoes and eggs.

Cover with crumbs and bake in moderate oven (350 degrees) until hated through, about 20 minutes. Serves 6 to 8.

CORNERED BEEF HASH AND EGGS

In saucepan, combine 2 cans (1 pound each) corned beef hash with 1 teaspoon Worcestershire sauce. Heat thoroughly about 5 minutes. Turn into greased shallow baking dish, and with a spoon make 6 slight depressions in hash and drop an egg into each. Bake in 350-degree oven for 20-25 minutes or until eggs are set.

FOR A HIGH ANGEL FOOD CAKE you need to separate eggs while they are cold but you'll get greater

volume if you beat them when they are at room temperature. Beat the whites until they are high and fluffy, and stiff but not dry. If you overbeat them the air cells break down and you'll lose volume. Add sifted and measured sugar very gradually so that you keep beating in air without breaking down the volume of the egg whites.

EGGS EXTEND FRUIT

Peaches, apricots or pineapples available in very small amount may be served to everyone when you make a nourishing baked or soft egg custard. Dice or mash fruit and put inside or on top of the custard or place in cup before pouring in the custard to make a good-tasting dessert.
