to help us make this a type of sale which offers some-
thing for everybody.
A number of the cows due or fresh close to sale date.
A good selection of bred heifers due this summer and
early fall, and attractive open heifers.
If the farming weather is good you can make more
money coming to the sale than plowing. In the past, late
spring sales offered the biggest bargains of the year, es-
pecially if the weather was such that most people thought
they should stay home and look after their farm work
If it is such a day, it will pay to let everything go and
bid on these good offerings.
